A BRIEF HISTORY OF THE TOY TOWN CAR SHOW

The Toy Town Car Show has been held on historic Main Street East Aurora since 1986. The show is the last vestige of the once huge annual Toy Fest celebration. The car show was put on by the East Aurora Toy Town Museum, as was Toy Fest until the museum closed in 2009. In 2011 the show was resurrected by the East Aurora Moose Lodge #370. The Moose Lodge and associated volunteers made the show a community event with all proceeds being distributed to the local Boys and Girls Clubs. In 2022, American Legion Post 362, with help from Chuck Facklam, took over the responsibilities of the show, which ended up with close to 450 entries. The show field starts on the brick Main Street (corner of Olean Rd) and continues down to Maple Road. Registration and preregistration check-in is from 9am – 12 noon at the Moose Lodge at 905 Main Street, East Aurora. This year, judging will encompass nine different classes, with trophies (hand-made by Legion volunteers) given out at 4:00 pm. Show headquarters will again be in front of the First Presbyterian Church of East Aurora at 9 Paine Street. The proceeds this year will go to sponsor scholarships for local high school students. Special thanks to main sponsor West Herr Buick GMC Cadillac of East Aurora, to our many local sponsors, and to all of the volunteers who help make the car show a success. We look forward to seeing everyone at the show.

POST 362 · EAST AURORA, NY

EAST AURORA AMERICAN LEGION POST #362

In the years shortly after World War I, the many returning veterans had experienced a comradeship and a sense of purpose and accomplishment that they missed. The national American Legion was formed and small, local posts sprang up all over the country. East Aurora was no different, and veterans here wanted to meet with others with similar beliefs and values of service and patriotism and work together for the benefit of themselves and their community.

In December, 1927, meetings were held at East Aurora High School and the East End Fire Hall to establish a post here. A constitution and application were submitted to the national organization. The post was officially recognized and was given a post number on March 28, 1928. Then, on March 16, 1931, the Village Board leased the old Center Street water pumping station on Cazenovia Creek to the new post for \$25 a year and Post #362 had a permanent home.

Ever since its inception, and on through the years, our Legion is proud that it has always been there for the needs of our veterans, has supported local charities and businesses, provided bands, drum & bugle corps, marching units and color guards for funerals, sporting events and yearly festivals and observances and have ran numerous carnivals, fund raisers and shows throughout our community. We will continue to be at the forefront in promoting those founding ideals and values and keeping them alive and well here in East Aurora.

If you are interested in joining the American Legion, please stop down and see us at the post at 1 Legion Drive in East Aurora, New York. You can also contact us at 716-652-9862 or amlegion362@gmail.com.
